Vulcan S 250

Dear Mr. Christiani,

we are as a facility management company responsible for the maintenance and repairs inside the St. Joseph Hospital in Berlin. Due to the hard water in Berlin we used to have very bad problems with scale incrustations on the sanitary equipment. The maintenance and cleaning of the 2.500 shower equipment and bathrooms alone was at very high costs.

Since a couple of months we have the Vulcan S 250 installed inside the hospital. We can identify a considerable benefit of the unit installed. We can barely see any scale deposits on the shower heads for example any more now. This saves manpower and costs of the exchange of sanitary equipment.

We can honestly recommend the unit installed by CWT GmbH.

Mit freundlichen Grüßen

John Behrens
